

Feel confident in your care.

With access to 4,000 of the nation's leading specialists, get the best doctor in the country to review your current care without any exams, appointments, or bills.

Reasons to start a second medical opinion:

- ✓ You want to confirm a diagnosis.
- ✓ Your condition is complicated or life-threatening.
- ✓ Your treatment plan is confusing or not working.
- ✓ You want to look into new treatment plans.
- ✓ Your recommended treatment is surgery.

How do I get started?

1. Download the Included Health app.
2. Activate your account or log in.
3. Start your second medical opinion.

Second opinions have a real impact.

66% of members who got a second opinion found more effective treatment options.

A network of 4,000+ top specialists.

We partner with experts from the nation's top institutions to give you access to the best medical advice.

“

It was the combination of the expert second opinion as well as the referral to the physician that ended up fixing and eliminating all of my pain.”

—Buddy, an Included Health member
