

Families with special needs deserve specialized care. We've got you.

An autism diagnosis for you or a dependent can be eye-opening and overwhelming. Included Health can help you find the right care whether it's a new or existing diagnosis—all at no cost to you.

How Included Health can help:

Let us find you clinicians specializing in autism treatment.

Call a nurse 24/7 for advice in minutes on symptoms, side effects, and more.

See a developmental behavioral pediatrician near you.

Let an expert check your healthcare bills for errors.

Who can use Included Health?

Included Health is available to all Uniti employees and their dependents covered on the corporate health plan.

How much does it cost?

Included Health is a no-cost benefit provided by Uniti and available to employees and their eligible dependents.
